

## Association of Science-Technology Centers ASTC Travel Passport Program

May 1, 2008 to October 31, 2008

The Travel Passport Program entitles visitors to free general admission. It does not include free admission to planetarium and larger-screen theater presentations nor does it include museum store discounts and other benefits associated with museum membership unless stated otherwise. **Each museum has its own admissions policy.** Visit [www.astc.org](http://www.astc.org) to find out which and how many family members receive free admission.

**PROGRAM RESTRICTIONS** **1) Based on your science center's or museum's location:** Science centers/museums located within 90 miles of each other are excluded from the Travel Passport Program unless that exclusion is lifted by mutual agreement. **2) Based on residence:** To receive Travel Passport Program benefits, you must live more than 90 miles away from the center/museum you wish to visit. Admissions staff reserve the right to request proof of residence for benefits to apply. Science centers and museums requesting proof of residence are called by (✓IDs).
