

THEATER

Let the LICM Theater Become Your Classroom!

Canadian dance/theater company CORPUS has presented over a thousand performances across Canada and around the world. Now they will be making their first US tour ... and the Long Island Children's Museum Theater is one of their first stops!

Your class can be in the audience to watch as hilarious woolly creatures take over the Children's Museum in the clever and interactive performance, *Les moutons (The Sheep)*.

CORPUS presents "Les moutons" Pre-K-Grade 6

Tuesday, April 24, 2012 at 10 a.m and Noon
Thursday, April 26, 2012 at 10 a.m and ~~11:30 a.m~~ Noon
Friday, April 27, 2012 at 10 a.m and Noon

- **Creative:** This wordless performance piece twists reality and takes audience interaction to new heights. At LICM, performances will take place in *Our Backyard* (weather permitting) as we recreate a bucolic country setting to welcome the "wooly" cast. Meet Julie, Marie-louise, Bernadette and César, three healthy ewes and a young ram as you take part in their daily routines, including shearing, feeding, milking and much more.
- **Curriculum Connected:** Following the interactive performance, students will meet the cast for a moderated workshop exploring the creative process

"CORPUS soars with imagination."—
NOW Magazine

including theatrical imagery, physical comedy and performance environments used in becoming "sheep," how sheep serve people and where art and real life meet. **BONUS:** Study guides, including pre-and post-visit activities are provided to help expand students' understanding of the performing arts.

NYS Standards Addressed:

The Arts: 1, 3
Career Development: 1, 2
English Language Arts: 1, 2, 4
Languages Other than English: 1, 2
Math, Science and Technology: 5, 7
Social Studies: 2, 3, 4

Cost: \$9/per student.

LICM Theater performances receive support from the
NYS ArtsWORKS for Young People and:

Monday—Double Your Field Trip Fun

Monday, April 23, 2012 from
10 a.m.—1:30 p.m.

Stretch your field trip budget and expand your classroom curriculum with an exclusive Museum visit that combines math, science and the arts during a special "animal-themed" day at the Long Island Children's Museum.

Your private day at the Museum includes LICM's 90-minute *Structure & Function* field trip, plus, the live interactive theater performance/workshop of *Les moutons*. (A 30-minute lunch break is included in this special field trip.)

Structure and Function* Kindergarten—Grade 6

Does form follow function? Children will examine how the structures of the natural world inspire art, technology and culture; inform our built environment and how we live our lives. Your special day at the Museum will put you among the first visitors to tour our new permanent exhibit, *Feasts for Beasts*, and discover the amazing ways that animals find and eat their food.

Exhibits: *Bubbles, Bricks & Sticks, Changes & Challenges* and *Feasts for Beasts*

NYS Standards addressed:

Math, Science, Technology: 1, 2, 4, 5, 6
Health and Family Sciences: 1, 2
English Language Arts: 1, 2, 4
The Arts: 1, 2, 4
Social Studies: 3

Book your fieldtrip now by calling (516) 224-5869. Remember, all of the Long Island Children's Museum's school visits may be paid with Nassau County BOCES Arts in Education and Suffolk County BOCES funds.
