About the Long Island Children's Museum (www.licm.org)

The mission of Long Island Children's Museum (LICM) is to connect all our communities' children, and those who care for them, to a life of wonder, imagination and exploration. At LICM, children discover their passions and their relationship to the world we share. The 40,000-square-foot museum serves over 300,000 children and adults annually. The private, not-for-profit institution chartered by the New York State Board of Regents, offers museum-based educational programs and cultural experiences, as well as an extensive community outreach program offered in schools, libraries and youth centers across Long Island. Additionally, the Children's Museum operates the historic Nunley's Carousel in association with Nassau County, one of three intact Stein & Goldstein carousels still in existence.

Recognized with several honors, including the National Medal from the Institute of Museum and Library Services (IMLS), LICM is accredited by the American Alliance of Museums (AAM), the gold standard of museum excellence. It is currently the only accredited children's museum in New York State and is one of only 16 accredited children's museums nationwide. LICM has earned 4-stars on Charity Navigator and has Platinum Transparency on Candid.
