Know Before You Go

The Show

Enjoy a musical adventure, ripped from the pages of Mo Willems' beloved, award-winning, best-selling children's books. Willems' classic characters Elephant and Piggie storm the stage in a rollicking musical romp filled with plenty of pachydermal peril and swiney suspense perfect for young audiences. Carefully cautious Gerald and spirited playful Piggie share a day where anything is possible in an imaginative exploration of the meaning of friendship. The comedic duo addresses such important questions as, What do you wear to a fancy pool costume party? Should you share your ice cream? And how can two friends play with one toy? Together with nutty back-up singers The Squirrelles, our duo even gets the audience involved in the action. Elephant & Piggie's "We Are in a Play!" is a perfect way to introduce young people to theatre.

The Theater

Long Island Children’s Museum Theater is the only theater on Long Island presenting performances specifically for family audiences on a year-round basis. It has presented vibrant and engaging performances for families since the Museum opened in 1993 and plays a central role in the range of educational experiences provided to visitors. In 2008, the LICM Theater expanded its role and began producing professional level family theater shows. Scripts are selected that encourage audience interaction and create personal experiences that we hope children will take with them throughout their lives.

Question Quest! What is the difference between live theater and a movie? Have you ever seen a live theater performance? What do you do when you see something on stage that you like? Do you clap? Cheer? Smile?
