

# Girl Scout Workshops

At Long Island Children's Museum, Girl Scouts play, learn ... and earn badges. A range of hands-on badge workshops, led by Museum educators, have been created specifically for Scouts. In addition, Girl Scouts can complete requirements when they visit the Long Island Children's Museum.

## Brownie Girl Scouts

### WHAT'S BUGGING YOU?

Complete the BUGS badge as you explore the world of bugs and other insects and arachnids through arts and crafts. Decorate a butterfly, study the stages of metamorphosis and visit the creatures in LICM's Feasts for Beasts gallery.

*Cost: \$12 per scout; workshop length: approximately one hour*

### SENSE-SATIONAL!

Complete the SENSES badge as you exercise all your senses in this special Museum tour with a twist. Using only ONE sense at a time, create human patterns, surround yourself with sound and learn if your nose knows! (Please inform us of any allergies at time of booking.)

*Cost: \$12 per scout; workshop length: approximately one hour*

### IN THE PAINTER'S STUDIO

Complete the PAINTING badge as you explore the work and styles of different artists. Paint a mood, experiment with non-traditional artist materials and plan and execute a troop mural!

*Cost: \$12 per scout; workshop length: approximately one hour*

### KITCHEN CHEMISTRY

Science is all around us; it even hides in our homes! Become a kitchen chemist and complete the HOME SCIENTIST badge by creating a delicious emulsion (salad dressing) and a playful colloid (putty). Explore density and static electricity in hands-on demonstrations!

*Cost: \$12 per scout; workshop length; approximately one hour.*

# Junior Girl Scouts

## CSI: LICM!

Earn the DETECTIVE badge by using your powers of observation and other methods of detection to solve the "Mystery in the Museum!" Take fingerprints and learn a secret code as you examine the evidence!

*Cost: \$15 per scout; workshop length: approximately 1.5 hours.*

## IT'S A DRAW!

Complete the DRAWING badge when you sharpen your pencils and learn drawing techniques such as shading and perspective. Create a portfolio for your projects!

*Cost: \$15 per scout; workshop length: approximately 1.5 hours.*
