## Upcoming at LICM

**Saturday, January 17 through Sunday, May 10, 2026**

**Emotions at Play with Pixar's *Inside Out***, the first interactive exhibit based on the award-winning film kicks off 2026 in a big way. This sense-sational exhibit helps visitors - young and old - understand the important role emotions, memory and imagination play in our everyday lives.

Focusing on the five core emotions featured in Disney and Pixar's ***Inside Out*** - Joy, Sadness, Anger, Disgust and Fear - hands-on and digital experiences in the exhibit offer opportunities to explore some of the ways we express our emotions - and recognize emotions in others, too.

*The exhibition was developed by Children's Museum of Pittsburgh in collaboration with Pixar Animation Studios.

Slip on "sock skates" and take a spin on our indoor rink. Enjoy all the fun of this winter sport without the runny noses or cold hands.

Our indoor rink is made from a high-tech synthetic polymer surface that lets kids slide around without blades.

***Snowflake Sock Skating will be open when the Museum is open, free with general admission.***

***Snowflake Sock Skating is presented in partnership with the New York Islanders.***
