## Upcoming at LICM

Opens Saturday, January 17 through Sunday, May 10

**Emotions at Play with Pixar's *Inside Out*,** the first interactive exhibit based on the award-winning film kicks off 2026 in a big way. This sense-sational exhibit helps visitors - young and old - understand the important role emotions, memory and imagination play in our everyday lives.

Focusing on the five core emotions featured in Disney and Pixar's *Inside Out* - Joy, Sadness, Anger, Disgust and Fear - hands-on and digital experiences in the exhibit offer opportunities to explore some of the ways we express our emotions - and recognize emotions in others, too.

The exhibition was developed by Children's Museum of Pittsburgh in collaboration with Pixar Animation Studios.
