A Kindergarten Readiness Program at  
Long Island Children's Museum (LICM)

For families who were educated elsewhere, going to school in the U.S. can be an intimidating experience for *both the child and the parents!*

**Together to Kindergarten** - A very special school-readiness program for kids entering Kindergarten. Long Island Children's Museum created this program to help provide a smooth transition into school for children entering Kindergarten in the fall and their families.

Long Island Children's Museum will host 2 four-weeks summer sessions:

**Session 1:** Classes: Monday to Friday, June 30 - July 25, 2025

**Orientation:** Saturday, June 21, 2025

**Session 2:** Classes: Monday to Friday, July 28 – August 22, 2025

**Orientation:** Saturday, July 19, 2025

**There is no fee for this program.**

### For the Children...

Classes will be in English and will meet each morning from 9 a.m. to 12:00 p.m. at LICM.

There will be 4 educators and 20 children in the class. Snack will be provided, as well as transportation if you reside in **Uniondale** or **Westbury**.

### For the Parents...

A parent or guardian of the child must attend a two and a half hour mandatory parenting workshops, once a week, at the Museum. These workshops are designed to help parents better support their kids in school and will be taught in their native language.

*All families who participate in the program will receive **a free family membership** to the Long Island Children's Museum! For more information, email [kjoseph@licm.org](mailto:kjoseph@licm.org)*

To register: Please call Karoll Joseph at **516-224-5844**.
