

Cub Scout Workshops

At Long Island Children's Museum, Cub Scouts learn as they play. Explore our world through a guided tour. Spend the night in a favorite exhibit.

Participate in a hands-on workshop led by Museum educators and complete some requirements for the new adventures!

Grades 1-3

ELEMENTS OF ART

Practice key elements of design and mix colors as you create a painting. Workshop fulfills **Tiger** "Stories in Shapes" Adventure.

Cost: \$12 per scout; workshop length: approximately one hour

SENSE-SATIONAL!

Exercise your senses in this special Museum tour with a twist. Using only ONE sense at a time, create human patterns, surround yourself with sound and learn if your nose knows! (Note: Allergy alert! Please inform us at booking.)

Cost: \$12 per scout; workshop length: approximately one hour.

WHAT'S BUGGING YOU?

Explore the world of bugs and other insects and arachnids through arts and crafts.

Create a butterfly glider, study the stages of metamorphosis and visit the creatures in LICM's Feasts for Beasts gallery.

Workshop fulfills **Tiger**: requirement 6 *Tigers in the Wild* Adventure; **Wolf**: requirement 7 *Paws on the Path to Adventure*; **Bear**: requirement 2 *Fur, Feathers & Ferns* Adventure.

Cost: \$12 per scout; workshop length: approximately one hour.

KITCHEN CHEMISTRY

Science is all around us – it even hides in our homes! Become a kitchen chemist and create a delicious emulsion and a playful colloid; explore density and static electricity! Workshop fulfills **Bear**: requirements 1, 2, 3 and 5 of "Super Science" Adventure.

Cost: \$12 per scout; workshop length: approximately one hour.

Grades 4-5

CSI: LICM!

Use your powers of observation and other methods of detection to solve the mystery in the museum! Take fingerprints and learn a secret code as you examine the evidence! *While recommended for Grades 4-5, workshop also fulfills **Bear**: requirement 2 Forensics Adventure.*

Cost: \$15 per scout; workshop length: approximately 1.5 hours.

IT'S A DRAW!

Sharpen your pencils and learn drawing techniques such as shading and perspective. Create a portfolio for your projects!
*Workshop fulfills **Webelos/Arrow of Light**: requirement 1 & 4A Art Explosion Adventure.*

Cost: \$15 per scout; workshop length: approximately 1.5 hours.

EARTH ROCKS!

Learn about the structure of the earth and the natural forces that continue to shape it. Sort rocks and minerals, create "rocks" from marshmallows and identify materials used in your own home!
*Workshop fulfills **Webelos/Arrow of Light**: Earth Rocks! Adventure.*

Cost: \$15 per scout; workshop length: approximately 1.5 hours.
